## **Vision Executive Search Joins Prestigious Global Association**

**AESC welcomes UAE Executive Search Firm in latest round of admissions**

**Dubai, Wednesday, December 1st 2010 [\[ME NewsWire\]](#):**

The Association of Executive Search Consultants (AESC) worldwide professional association for the retained executive search industry has announced the acceptance of UAE Based Vision Executive Search (VES) into membership. Following extensive reference checks, a site visit, and vote by the the AESC Asia Pacific Council, VES were approved to join the AESC. The AESC is the global association for retained executive search firms, and being a member means that a search firm abides by and adheres to the highest professional and ethical standards in the industry.

The AESC's mission is to promote the highest professional standards in retained executive search consulting, broaden public understanding of the search process, and serve as an advocate for the interests of its member firms. Dubai based Vision Executive Search, was founded in 1997 by Dr. Nairouz Bader and performs searches across the Middle Eastern region, specializing in the Health Care, Pharmaceutical and Financial Services industries, with a track record of cultivating learning within the recruitment industry and working closely and proactively with both candidates and companies alike.

Speaking of the new association, Dr Bader said *"In this round of admissions, only five companies made it into the AESC. This is an honour for Vision Executive as we join other firms from the USA and more into this internationally renowned professional organisation. Over the past 50 years, AESC has played a major role in the identification and recruitment of senior executive talent for many different organizations in a wide variety of industries and countries. This is a perfect match for Vision Executive Search*

*as we too endeavour to provide the highest calibre candidates within the 'right fit' of a role, whilst ensuring that our service is second to none within the region"*

Since its inception in 1997 in Canada, VES has grown rapidly, positioning itself among the leaders and innovators in the field of executive search. VES applies its extensive knowledge of industries, functions and talent to advise select clients ranging from major Internationals to emerging companies on their leadership and talent management, not only by attracting talents but more so by advising clients on retention and long term sustainability goals.

Speaking of VES induction, Peter Felix, President of AESC said *"We are delighted to welcome Vision Executive Search into AESC Membership. I am confident that Nairouz Bader and her team will add strength to the AESC's mission to promote the highest professional standards in retained executive search consulting in the Middle East and broaden public understanding of the executive search process"*

VES consultants focus on senior-level executive search, board director appointments, succession planning and in-depth HR & Leadership consultancy. For more information on **Vision Executive Search**, please visit [www.visionexec.com](http://www.visionexec.com)
